

2 Day Leadership Camp

This unique blend of team building, communication, problem solving and outdoor challenges is a camp for leadership students in your school. Ideal for building enthusiasm and leadership qualities in your students we endeavour to provide hands on, fun and team oriented activities. A two day camping program will include activities like:

Initiative / Team Building Challenges: Master our ping pong challenge, magic carpet squares, blindfold course and others.

Canoeing or Adventure Navigation: Students will be challenged to master three person canoes on the Hawkesbury River or GPS units to navigate our Eco Challenge course on land. (additional cost of \$120 per group for canoeing)

Mission Codebreak: Use GPS units, compasses and walkie talkies to find and solve all the hidden problems. Radio in your discoveries to a specialist code breaking team at base camp!

Go Pro Movie Making: Storyboard, rehearse and film a short film documenting how you will implement leadership skills back at school.

Boomerang Throwing and the Waterball Game: A short walk to our local oval opens up a world of fun! Learn to throw a boomerang like a Darug hunter and try to stay dry in our water pistol habitat game!

- Brewongle can cater for 48 students, accommodated in 4 x A-frame huts. By utilising our tents we can cater for a further 8 students.
- Teachers and parents stay in our new and very comfortable teacher accommodation!
- You can choose for us to supply all meals and prepare the food for your staff to cook by utilising the BBQ and the kitchen facilities, otherwise you may choose to do the shopping, preparation and cooking yourself.
- Evening activities can include a campfire (weather permitting), a wildlife presentation and spotlighting.

2 Day Camp cost per student approximately \$60.00

Private Schools Cost per Student = \$76.00

These prices include accommodation, food, caterer and an evening wildlife presentation
